

# EARLY CHILDHOOD EDUCATION ASSESSMENT TOPICS

---

The Early Childhood Education Assessment is a fully online, customizable exam that measures student knowledge in essential early childhood education disciplines. Available for associate's, bachelor's, and master's-level programs, the assessment delivers normed, objective results to support institutional effectiveness, curriculum refinement, and quality assurance.

## AVAILABLE TOPICS

Choose from any of the following 10 topics. Each selected topic adds 10 randomized questions to the exam. For example, selecting 5 topics creates a 50-question assessment. We'll work closely with you to ensure the exam setup and delivery method meet the needs of both your program and your students.
